

# Concrete Batching Plants

**FABO<sup>®</sup>**

# Crushing Screening Plants

# FABO Stationary Crushing Plants

---

**FABO**, which sells crushing, screening and washing facilities to 7 continents, produces the most powerful crushers and sieves in the market. With its low maintenance costs, innovative designs and 17 years of experience, it offers unique solutions to its customers.

**Stationary crushing plants** have advanced equipment that provides high efficiency for mines, quarries and construction projects. Our crusher plants with different capacities are ideal for solutions suitable for every project.

**Stationary crushing plants** can be used for aggregate production in various sizes, for crushing hard mines and ores. To maximize your profits and improve your business volume, like companies around the world, choose FABO crushing, screening and washing facilities.

**Our stationary solutions:** Stationary Stone Crushing and Screening Plants
